

How to activate SATIB Guardian using a coupon code

Download the SATIB Guardian App upon arrival in South Africa and/ or once you have purchased a local mobile phone SIM card

1

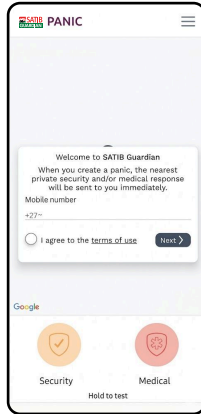

Download the SATIB Guardian App

Google Play

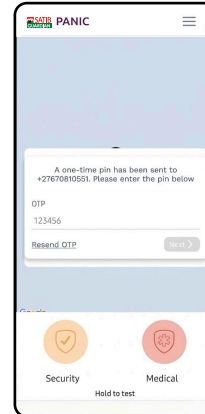

App Store

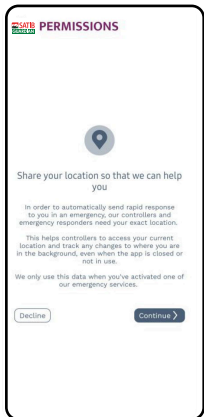

2

Enter your mobile phone number and select next

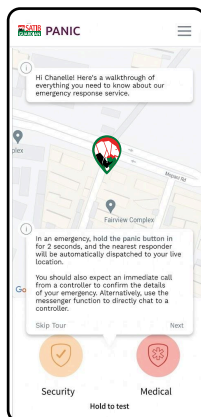

3

You will receive an OTP via SMS. Please enter the OTP and select next

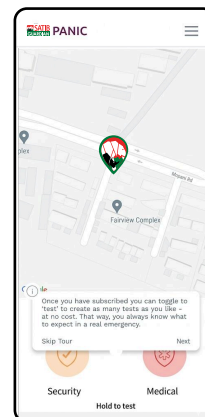

4

Share your location and select continue

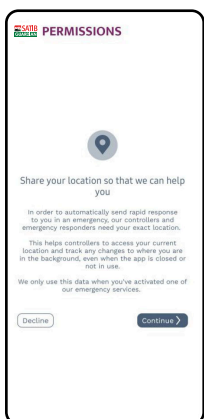

5

A SATIB Guardian walkthrough can be completed at any time

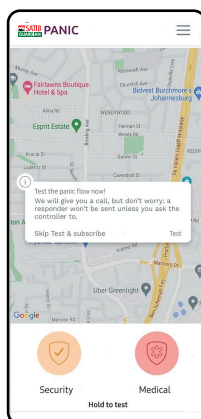

6

We recommend testing SATIB Guardian. Toggle the switch to 'Test Panic' and hold down the red button. Create as many tests as you like, at no cost

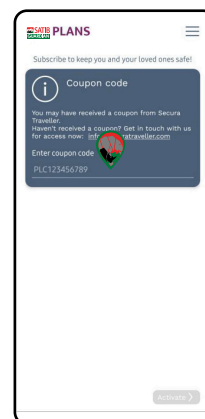

7

Our expert Control Center Agents will call you; a responder will only be sent if requested

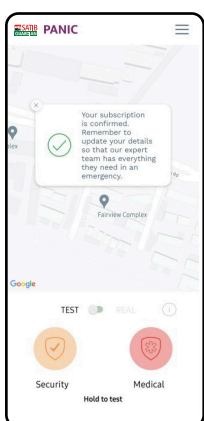

8

Once dispatched for a genuine emergency, you can view the responder's details and track their progress in real-time

9

Enter your coupon code and activate your SATIB Guardian subscription

10

Welcome to SATIB Guardian. Your subscription is confirmed. DO NOT LOG OUT. Just close the App

Please update your details to ensure our expert team has everything they need in an emergency
